

CAPITOL IMPROVEMENT PROGRAM  
2009 – 2010 (CIP)  
Revised

In order to apply for grants under the State of Connecticut Local Capitol Improvement Program, the municipality must have an approved Capitol Improvement Program. Below is a list of those items which are proper for that program.

- Project #1: Replace cross culvert under Lake Shore Drive with new pipe structures, including design and construction costs.  
Estimated cost: \$150,000 Project to be completed in 2009
- Project #2: Replace the Tobacco Street Bridge over the Ten Mile River. Project to include precast arch structure, road realignment, railing and paving.  
Estimated cost: \$843,000 Project to be completed in 2009-11
- Project #3: Replace cross culvert under Tobacco Street with new pipe structures, including design and construction costs.  
Estimated cost: \$150,000 Project to be completed in 2009-10
- Project #4: Reconstruct Leonard Bridge Road – Phase IV. Project to include improving road alignment, site lines, under-drains, culverts, reclamation and repaving, including design and construction costs.  
Estimated cost: \$450,000 Project to be completed in 2010
- Project #5: Reconstruct all basins, reclamation and repaving of Bascom Road including design and construction costs.  
Estimated cost: \$500,000 Project to be completed in 2011.

Approved this 19th day of November, 2009
